- 1 A Ranking score consists of 2 X WA720 rounds combined score
- 2 WA1440 rounds can be converted in to eligible WA720 scores by calculation. The calculation formulas are shown above
- 3 Each individual WA720 score will devalue by 5 points every following month until such times that it is replaced by a score of higher value
- 4 Any eligible score that becomes 12 months old will be withdrawn from the tables
- 5 Any tie between competing ranking totals is resolved by the highest individual WA720 score at its current value to take priority
- 6 All scores are sourced from Archery OSA. Scores are also valid from result sheets that do not fit the OSA criteria for publication i.e, National tournaments.
- 7 Eligible tournaments will have been publicised prior to competition and with a status of either International (Int), Major (M) or Registered Minor Tournament (RMT)
- 8 International (Int) scores by ANZ affiliated archers are eligible for ranking purposes, provided they were attained at a New Zealand venue
- 9 The scope of the Ranking system is limited to New Zealand venues only
10. Any matter not covered by these guidelines will be arbitrated by the administrator in the interim, until a definition is clarified

These Rankings are available on Archery New Zealand > Athletes > Rankings and < Archery Raysranking >

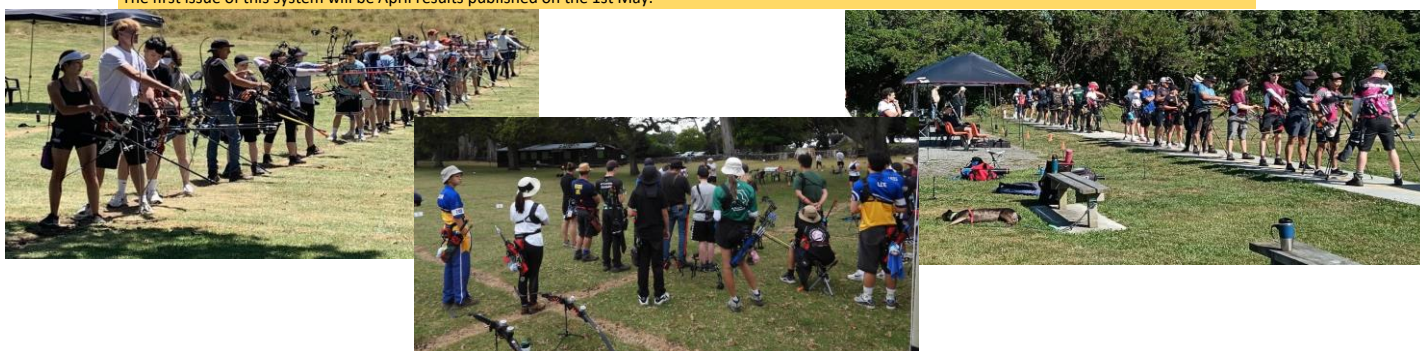

Things are looking good. That is to say, there are more tournaments with more athletes supporting them. Positive indications that our sport is gaining some popularity. However, there is a downside to all this with regards to Ranking. At present - if you attend a tournament - you gain a Ranking. To the Ranking coordinator, that means an ever increasing volume of scores to process. It is presently at the point where, at peak times, it is almost akin to a part time job, in order that the Ranking list is published within an acceptable time frame so that they remain current, fresh and of benefit to all that follow them. It is therefore essential that this be addressed before it becomes a real issue of overload.

Changes will be made to the Rankings by 'condensing' them in to a new format. The basic procedure remains the same, but Ranking lists will be capped at the top 40 with each set of categories, reducing the total number of participants in this draft form to 190, from the current 350 ish

To achieve a ranking . It will be necessary to meet a minimum score twice. Your double score total will then contest for a ranking based on that score in the normal way. Each promotion to the ranking will also activate a relegation to maintain the top 40 .

All current categories are catered for with the exception of under 14 and under 11. I realise that this will not fit too well with those affected but it is a necessary move to keep things functioning at an administrative level. You, the archer, continues to enter the tournaments and get your score recorded on OSA. I will still get all the scores from OSA and process them. Nothing there will change.

The first issue of this system will be April results published on the 1st May.
