

# 2025 Annual General Meeting

## Motion #1

### Motion to Formalise Youth Athlete Uniforms

The Trans Tasman Youth Athletes are talented archers who have been selected on merit, after attaining qualifying scores, to represent New Zealand. They deserve to wear the full Archery New Zealand uniform when competing internationally. They have earned the right to proudly represent their country in full uniform, just like adult archers. The 'level' or 'tier' of the tournament is completely irrelevant – they are New Zealand archers who have signed the Code of Conduct, and will honour the uniform.

#### Reason:

The Youth Archers are New Zealand representatives and have earned the right to be treated as such by their governing body. Anything else is discriminatory.

I move that Archery New Zealand act fairly, and honour all athletes selected to represent their country with the right to wear the official Archery New Zealand uniform.

Motion by: Mireille Nel
