I am standing for a full term to allow this stability to continue, enabling our organisation to grow stronger. With an updated strategic plan, a clearly defined Board Charter, and a shared vision for the growth of archery in New Zealand, I am committed to fostering teamwork, open communication, and mutual respect across all levels of our sport.

Archery in NZ thrives when we work together, and I look forward to building on our progress, strengthening our community, and ensuring a vibrant, united future for the sport we all love.
